My own Corporate Video?

Why do I need a corporate video?

- ✓ **Credibility:** Gain the confidence of potential customers with a convincing audio-visual message
- ✓ **Consistency:** All your customers will receive the same video, guaranteeing consistency in your company's sales pitch
- ✓ **Impact:** Leave a lasting impression on your customers with an accomplished video presentation

Isn't it expensive to produce a corporate video?

It doesn't *have* to be expensive. By taking a **no-frills approach** and retaining only the essentials, your corporate video can be **affordable yet effective**.

With **BizV**, your business can have its **own no-frills corporate video!**

The

biz

Plan

What is BizV?

BizV is a no-frills corporate video production plan catering exclusively to Malaysian SMI/SMEs. The plan offers corporate video production packages from as low as RM3,880.

Why is BizV so affordable?

- ✓ Just the essentials. No special effects, no acting talent, no frills.
- ✓ You write your own script, with help from our professional scriptwriter
- ✓ You arrange your own 1-day shoot, with help from our production manager
- ✓ No unnecessary meetings

Why only SMI/SMEs?

SMI/SMEs don't need expensive corporate videos. They just need effective ones. This is possible with a no-frills corporate video.

The **BizV** plan can help local SMI/SMEs compete in the global market.

Choose your own Package!

BizV offers 3 different packages that each cater to the needs of different businesses. Each package can be further customized for more specific needs.
